**Xiao Mei!
Hold on
tight!**

*I'm
so
tired*

*That
scared

*Looks like
that old
lady didn't
follow us*

My hero! From now on I will be your follower please protect me!

Goddess sis, you can't abandon me!

I'm your most loyal servant!

好熟悉的画面.....

This seems familiar

This is a cheating plotline! Just think of it as playing solo while carrying a low level character! I'm scared!

On behalf of your sincerity I'll take you in

Being the boss feels great~~
Hahahaha!

Thank you boss!

Wang Yi,
lets call
the police

But, I
think I lost
my phone
easier in
the chaos

Dammit,
I lost
my
phone
too

Tn: This is probably a joke lost in context when translated

I didn't
lose my
phone, but
the batteries
are dead

Phelps is good
at resisting
water and
has a long
battery life.

Tn: Phelps could also be Phil, it has something to do with someone relating to sports

Lets hide in the
school for now.
We'll think of
something in
the morning

Brilliant
idea
boss!

Wang Yi,
I'm
scared

Don't be
afraid, you
have me

Boss, I'm
gonna go
and scout
the area

Hehehe, Xiao-Mei is holding my hand

呵呵呵呵.....
小美牵着我的
手.....

我真是.....

blessed!?

I'm so

太幸福了!

UGHAAAA
AAAAAAA
AAAAAAA
AAAAAAA
AAAAAAA!!!

BOSS!

Ta: His value is probably referring to his looks

What! Who
dares kick my
face! I'm living
on my value
right now!

踏!

Thief!

You dare
come into
our territory
and steal
from us

Unfortunately
for you, you
ran into me!
Bruce Lee!

**YOU
PIECE
OF
SHIT!**

**I'LL
KILL
YOU!**

Tx: Dage is a respectful way to refer to some male older than you, it means big brother

**Security
Dàgē**

**We're not
bad people**

**Really? I
don't read
a lot of books.
You guys
better not
be lying!**
